

Quality Assurance. From farm to shop.

QS. Quality Scheme for Food.

Annex 9.6 Registration form for laboratories

to apply for QS approval in the field of feed monitoring

A. General Data

Laboratory:

Address:

City:

Country:

Phone:

Fax:

E-Mail:

VAT number*:

*Confirmation that the benefit of QS Qualität und Sicherheit GmbH is exclusively used by the indicated company with the indicated VAT number

B. Responsibilities

Contact person:

Representative:

Please tick as appropriate:

C. Accreditation in accordance with EN ISO/IEC 17025

implemented**

in development***

D. Accreditation in accordance with EN ISO/IEC 17025 for the following parameters

Mycotoxins

implemented

in development

AflatoxinB1

Proof by Elisa

HPCL

DON

Proof by Elisa

| <input type="checkbox"/> | Polyaromatic hydrocarbons (PAH) | <input type="checkbox"/> | implemented | <input type="checkbox"/> | in development |
| <input type="checkbox"/> | Methanol | <input type="checkbox"/> | implemented | <input type="checkbox"/> | in development |
| <input type="checkbox"/> | Antibiotic growth promoter | <input type="checkbox"/> | implemented | <input type="checkbox"/> | in development |

**Please enclose a copy of the document and details of the test procedure. The copy of the documents must refer to the relevant test procedure used to prove the mentioned parameters

*** Attach proof that accreditation is to be expected in the next 12 months

E. Spectrum of analysis (list of test parameters with limit of quantification and, where applicable, analysis scopes which can be checked by the laboratory)

- List (enclosure) filled in completely

Formal obligation:

We hereby confirm that within the parameters of the applied analysis methods, it is possible to verify compliance with the relevant limit values and/or the specified reference values.

Signature/stamp: _____

F. Copy of an example of a test report

- enclosed

G. Participation in interlaboratory tests with regard to feed monitoring within the last year prior to application (animal feed)

- participated (date _____);
- Results/ active ingredient spectrum enclosed

Quality Assurance. From farm to shop.

QS. Quality
Scheme for Food.

H. Declaration of undertaking

We undertake to enter the laboratory results requested by QS into the central QS feed database as soon as they are available.

Signature/stamp: _____

I. QS approval

(to be completed by QS)

approved

not approved

Requirements:

Signature/stamp: _____

With entrance of the application documents and before beginning of the application check a handling fee of **1,500 Euro** must be paid (include value added tax at the appropriate rate). In the first year the one-time service fee for application will be credit against the annual fee of approval.
